Our Story

Born from a love for purity and tradition, Rasatva brings you all-natural spices, seasonings, wellness essentials and good foods.

We set out to rediscover native ingredients- spices from their true origins, seasonings crafted from family recipes, and foods that carry the flavour of their homeland.

What began as a passion for authentic taste, has grown into a way of sharing traditions- whether through everyday cooking or the joy of gifting.

Gifts by Rasatva

Our gifting range carries the same spirit. Each hamper has unique treasures that tell stories of India's flavours, traditions, and craftsmanship.

With Rasatva, you're not just gifting- you're sharing culture, wellness, and authenticity in the most beautiful way.
